

## Round Deli Snack Size Model SE-270-W

These leak-proof stainless steel food containers are ideal for lunches, snacks and storage. Use them at work, for waste free lunch programs, while travelling, camping and more.

The round 10 oz. (270ml) deli containers can be used for a variety of items including salads, yogurt, dips, crackers, fruit and veggies.

The leak proof design of these containers ensures that the contents stay fresh and nothing leaks out.

These reusable and eco-friendly Steeltainers are an effective alternative to plastic or glass containers.
