premium stainless steel food containers

Snack Size Model SE-320

These compact leak-proof stainless steel food containers are ideal for small lunches, snacks and storage. Use them at work, for waste free lunch programs, while travelling, camping and more.

Model SE-320-W
(capacity: 320ml)

Model SE-320-B
(capacity: 320ml)

Carry veggies, fruit pieces, salads, sushi, wraps or a small sandwich. You can even bring yogurt, chili, curries and dips.

An adjustable stainless steel separator lets you divide the container into either 2 equal compartments or one smaller and one larger compartment. Simply remove the divider when you need one larger compartment.
